It's more than a J..O..B!

'People who have a P.A.S.S.I.O.N. for what they do, EXCEL in what they do!'

Problems: Unhappy employees and executives; Average results; Clock watchers; Poor service; Low morale; and the list goes on....

Solution : Help people develop a P.a.s.s.i.o.n. for what they do

How : Assist your employees to develop a P.a.s.s.i.o.n. for whatever they do by bringing the The P.a.s.s.i.o.n. Workshop to your organization

Result : Happy employees; Superior results; Increased profits; High morale; Excellent service; People performing with Passion!

The P.a.s.s.i.o.n. Workshop! will enable participants, from every level in your organization, to achieve the following :

- ◆ Take more pride in their personal performance
- ◆ See the Big Picture - how their performance impact the bottom line
- ◆ Adopt a Positive Attitude with action towards their work
- ◆ Take Ownership of their specific duties and responsibilities
- ◆ Experience less stress on the job
- ◆ Help create a more Pleasant and Productive work environment
- ◆ Break the 80/20 rule

In addition to the above, The P.a.s.s.i.o.n. Workshop! can be tailored to focus on specific areas particular to your organization which you believe need attention.

The P.a.s.s.i.o.n. Workshop! is developed and presented by **Mr.. Lincoln Kokaram.**

He is a facilitator of learning with over 27 years of adult training experience. He has conducted seminars and workshops in more than 35 countries. He is a gifted trainer, who has the rare skill of helping participants take ownership of the material, making it all the easier for them to apply to their everyday activities.

It is not only what he delivers, but what he is able to get out of the participants that is most valuable. His workshops are highly participative and learner centered. **His mission is to help as many people as possible see that their work is much more than just a J..O..B.** He has a P.a.s.s.i.o.n. for helping people to **"be the best that they were designed to be."**
